

COC SYSTEM PERFORMANCE COMMITTEE

Minutes of the December 16, 2014 Meeting

Chairperson Maria Heege called the meeting to order at 9:43 a.m. Members present Maria, Jennifer Keaton, Vicki Conley, Natalie McClesky, and Amy Krebs.

System Performance Metrics

Jennifer Keaton reported on the System Performance Measures & Metrics that have been adopted by the COC. These metrics will measure chronically homeless individuals, chronically homeless families, and veterans. Per HUD requirements the data is to be from October 1, 2012 forward. Jennifer suggested that our data go back to 10-1-2009.

HUD is also requiring COCs to develop performance targets by project type taking into consideration populations served. Thus the COC will need to take every adopted performance measure and add to it by single type.

The following are the areas for which HUD is requiring various measurements.

1. Length of Time Persons Remain Homeless
- 2a. The Extent to which Persons who Exit Homelessness to Permanent Housing Destinations Return to Homelessness within 6-12 months
- 2b. The Extent to which Persons who Exit Homelessness to Permanent Housing Destinations Return to Homelessness within 2 years
3. Number of Homeless Persons
4. Employment and Income Growth for Homeless Persons in COC Program-funded projects
5. Number of Persons who Become Homeless for the First Time
- 6a. Successful Placement from Street Outreach
- 6b. Successful Placement in or Retention of Permanent Housing

All items in the metrics were reviewed by the Committee, concerns were discussed, and recommendations were made with regarding the following items:

- #5 First Time Homeless---We will go back to 10-01-09 & will also compare to all time.
- #6a Street Outreach---The only placement we have from street outreach is from PATH that only targets individuals with mental health issues.

- #6b Successful Placement in or Retention of Permanent Housing---We will need to do this by housing type.

The HCCSC Performance Committee Timeline from December 2014 through December 2015 was reviewed and revised. Please see the attached document.

The meeting adjourned at 11:20 a.m.

Respectfully submitted by

Vicki Conley
