

**Homeless Continuum of Care of Stark County (HCCSC)
FY 2022 Letter of Interest Flow Chart**

**The LOI is not intended for agencies who are currently CoC funded unless they are submitting an LOI for a new or expansion project in collaboration with a Domestic Violence provider. Submitting an LOI will notify the Stark Housing Network, Inc. that you are interested in the opportunity to apply for CoC funding. The LOI is not a competitive document that will result in a formal invitation to apply.*

CONTINUUM OF CARE PROGRAM OVERVIEW

The Continuum of Care (CoC) Program is designed to promote communitywide commitment to the goal of ending homelessness; provide funding for efforts by nonprofit providers, and State and local governments to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness; promote access to and effect utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness.

HOUSING FIRST AND LOW BARRIERS

Housing assistance provided by CoC funding is focused on Low Barriers and Housing First approaches. A low barriers approach refers to housing assistance that is intended to serve participants with the greatest barriers to housing by utilizing a “screen in” approach opposed to a “screen out” approach. Housing First approach is based on a homeless individual or household's first and primary need is to obtain stable housing, and that other issues that may affect the household can and should be addressed once housing is obtained.

PROJECT COMPONENT TYPE

The U.S. Department of Housing and Urban Development (HUD) Continuum of Care Program serves persons who lack a fixed, regular, and adequate nighttime residence or persons who are fleeing, or is attempting to flee, domestic violence. The HCCSC plans to target funding towards the four types of programs listed below.

- **Rapid Re-Housing (RRH)** is permanent housing that provides short-term (up to three months) and medium-term (4-24 months) tenant-based [rental assistance](#) and supportive services to households experiencing homelessness.
- **Permanent Supportive Housing (PSH)** is permanent housing assistance (e.g., long-term leasing or rental assistance) and [supportive services](#) to assist households with at least one member (adult or child) with a disability.
- **Homeless Management Information System (HMIS)** is a local software system used to collect client-level data on the provision of housing and services to homeless individuals and families and persons at risk of homelessness. Each Continuum of Care (CoC) is responsible for selecting an HMIS software solution that complies with HUD's data collection, management, and reporting standards.
- **Coordinated Entry (Supportive Services Only)** A centralized or coordinated process designed to coordinate program participant intake assessment and provision of referrals. A centralized or coordinated assessment system covers the geographic area [encompassed by the CoC], is easily accessed by individuals and families seeking housing or services, is well advertised, and includes a comprehensive and standardized assessment tool.
